

# Robert J. Michlewicz

President of Visual Lease

Available for online, print, on-camera interviews and speaking engagements.

Robert Michlewicz is the President of Visual Lease, the #1 lease optimization software provider. As President of Visual Lease, Michlewicz is responsible for ensuring operational excellence and sustained company growth. He oversees the company's Corporate Strategy, Product, Engineering, Marketing, Sales and Customer Service departments.

Michlewicz brings over two decades of experience in the financial technology sector to Visual Lease.

Most recently, Michlewicz was Chief Strategy Officer at Trintech, a leading provider of Financial Corporate Performance Management (FCPM) software with offices across North America, EMEA and APAC. Under his leadership, the company achieved key milestones such as globalization and establishment of a partner network with a growing customer base representing more than 3,500 firms. During his tenure, the company grew from 100 to over 500 employees while maintaining year-over-year double-digit annual recurring revenue (ARR) growth.

Michlewicz has an established customer-centric track record, empowering his teams to solve client needs as they meet their compliance requirements. This has been achieved by focusing on utilizing key technologies aligned to the client's internal controls framework thus evolving their finance organizations.

A veteran in the financial regulatory and reporting sector, Michlewicz has served in key leadership roles such as the Regional President for Bowne & Co. (former NYSE), the largest global disclosure management firm. Prior to this, he was President of Chas. P. Young Co., where his company played a vital role in newly expanded SEC regulatory compliance reporting.

Michlewicz is a sought-after speaker on reporting, regulations and global partnerships. He is a member of Young Presidents Organization-Gold (YPO-Gold). He has a B.A.A. in Marketing from Texas A&M University.

## About Visual Lease

		
<b>1,000+</b> customers	<b>500,000+</b> leases under management	<b>200+</b> employees
